

CIBSS Work in Progress Seminars

CIBSS Project A3:

Dr. Evgeny Mymrikov (*Institute of Biochemistry and Molecular Biology*):

„Signal integration by membrane signalling assemblies”

CIBSS Project C2:

Nikolas Jork (*Institute of Organic Chemistry*):

“Synthesis of inositol pyrophosphate prometabolites for photochemical release in different cell models”

Monday, November 11th, 2019; 13:00

SR FRIAS Building, Albertstr. 19
