

Nicola Iovino, Dr.

Institution: Max-Planck-Institute of Immunobiology and Epigenetics Freiburg,
Stübeweg 51, 79108 Freiburg

Contact: Phone: +49 761 5108 779 , E-Mail: iovino@ie-freiburg.mpg.de

Position: Group leader

Academic education including academic degrees

2002 MSc in Biology, University Federico II of Naples, Italy

Scientific graduation

2007 PhD in Genetics and Molecular Biology, Rockefeller University,
New York, USA

Employment

Since 2014 Group Leader, Max Planck Institute for Immunology and
Epigenetics, Freiburg, Germany. Laboratory of Epigenetics @
fertilization, Department of Chromatin Regulation

2009-2013 HFSP and EMBO Post Doctorate training, IGH-CNRS,
Montpellier, France. Laboratory of Chromatin and Cell Biology,
Giacomo Cavalli Lab

2007-2009 HFSP and EMBO Post Doctorate training IGH-CNRS,
Montpellier, France. Laboratory of Chromatin and Cell Biology,
Giacomo Cavalli Lab

Other activities, awards and honours

2018 – 2021 EMBO YIP Young Investigators Programme
2016 – 2020 DFG-CRC992 Two PhD-Students grant
2011 – 2013 HFSP Human Frontier Science Program
2010 – 2011 EMBO Long Term Fellowship
2004 EMBO Short Term Fellowship
2003 – 2007 Merck & Co PhD fellowship
1998 – 2002 University Federico II, Naples, Italy Studentship

I have reviewed for paper Cell and Nature groups.

I have reviewed grant proposals for the German DFG agency and the French ANR agency.
