

Prof. Dr. Manfred Jung

Institution: Institute of Pharmaceutical Sciences, Faculty of Chemistry, University of Freiburg, Albertstr. 25, 79104 Freiburg
Contact: Phone: +49-761-203-4896, Email: manfred.jung@pharmazie.uni-freiburg.de
Position: Full Professor for Pharmaceutical Chemistry (W3), University of Freiburg

Academic education including academic degrees

1989 Staatsexamen Pharmacy, University of Marburg

Scientific graduation

2000 Habilitation, University of Münster, Synthese und biologische Aktivität von neuen Wirkstoffen für die Krebs-Chemoprävention
1990 – 1993 Dr. rer. nat., University of Marburg, Synthese von Arotinoiden mit Aryltetrahydroanthracenstruktur

Employment

2011 - now Full Professor for Pharmaceutical Chemistry, University of Freiburg
2010 Offer for a Full professorship (W3) at the University of Mainz (declined)
2003-2010 Professor for Pharmaceutical Chemistry at the University of Freiburg
2001-2003 Senior lecturer (Hochschuldozent, C2)
1994 "Wissenschaftlicher Assistent" (Research Associate and Lecturer) at the University of Münster, Department of Pharmaceutical Chemistry, Münster; Research area: New drugs for cancer chemoprevention
1993 - 1994 Postdoctoral Fellow with Prof. Dr. T. Durst, Department of Chemistry, University of Ottawa, Ottawa (Kanada)

Other activities, awards and honours

2019 Elected member of the Senate of the University
2018 – 2019 Vice Dean of the Faculty of Chemistry and Pharmacy
2015 – 2018 Dean of the Faculty of Chemistry and Pharmacy
2013 Meeting president Annual meeting German Pharmaceutical Society
2013 - 2015 Vice Dean of the Faculty of Chemistry and Pharmacy
2013 - 2014 Director of the Institute of Pharmaceutical Sciences
Since 2012 Co-Speaker of Collaborative Research Centre "Medical Epigenetics" (SFB992, MEDEP, Speaker R. Schüle), Speaker of the Integrated Research Training Group (IRTG)
2012 – 2017 Member of the Editorial Board of the Journal of Biomolecular Screening
2011 - 2014 Academic Editor of PLoS ONE
2011/12 & 2016/17 Senior Research Fellow, Freiburg Institute of Advanced Studies FRIAS
2007 - 2018 Sachverständiger am Institut für Pharmazeutische und Medizinische Prüfungsfragen (bundesweites 1. Staatsexamen in Pharmazie)
2008 - 2011 Head of Diploma board Pharmacy
2008 - 2010 Member of University library board University Freiburg
2004 - 2008 Vice-Dean of Teaching Affairs for Pharmacy
2004 Eugen-Graetz Prize, University of Freiburg
2000 Award "Medicinal Chemistry" by the DPhG and the German Chemical Society (GDCh)
1997, 1999 Habilitation fellowships by the German Pharmaceutical Society (DPhG)
1994 Postdoctoral fellowship by the Deutsche Forschungsgemeinschaft
