

## **Clemens Kreutz, Dr.**

**Institution:** Center for Biosystems Analysis (ZBSA), University of Freiburg, Habsburgerstr. 49, 79104 Freiburg  
**Contact:** Phone: +49-761-203-97207, Email: ckreutz@fdm.uni-freiburg.de  
**Position:** Junior Group Leader

### **Academic education including academic degrees**

2003 Diploma thesis “Control of Stochastic Processes”, grade “sehr gut”, supervisor: Prof. Josef Honerkamp

### **Scientific graduation**

2004 – 2012 PhD thesis: “Statistical approaches for Molecular and Systems Biology”, grade “summa cum laude”, supervisor: Prof. Jens Timmer

### **Employment**

Since 2016 Head of “Data Analysis & Algorithm Selection Group” at the Center for Biosystems Analysis (ZBSA)  
2013 – 2016 PostDoc in the Physics Institute, Freiburg University  
2007 – 2012 Full position as scientific employee at the Center for Data Analysis and Modelling (FDM).  
2003 – 2006 Partly position as scientific employee at Freiburg University  
2002 – 2004 Scientific programming as freelanced for the company “Seleon”.  
2001 – 2003 Scientific assistant at university hospital, at the Freiburg Material Research Center (FMF) and IT service Center of the university

### **Other activities, awards and honours**

h-index 22 (Web of Science), 25 (Google Scholar)  
Awards: 2013 Best Performer in the DREAM8 challenge (“Whole Cell Parameter Estimation”)  
2012 Best Performer in the DREAM7 challenge (“Reconstruction of Gene Regulatory Networks”)  
2011 Best Performer in the DREAM6 challenge (“Parameter Estimation and Experimental Design”)
