

David Haselbach, Jun. Prof. Dr.

Institution: Universität Freiburg, Institut für physikalische Chemie
Contact: Phone: 00491637753201, Email: David.haselbach@physchem.uni-freiburg.de
Position: Junior Professor

Academic education including academic degrees:

2008-2010 Master at the International Max-Planck-Research School Molecular Biology Göttingen
2009-2010 Master Thesis at TU Munich – E22 Chair for Experimental Biophysics
2008 Bachelor Thesis Max-Planck-Institute for Molecular Genetics – Berlin

Scientific graduation

2014 PhD – Göttingen Graduate School for Neuroscience, Biophysik und Molekulare Biowissenschaften

Employment

2021 - Junior Professor, University of Freiburg
2020-2021 Group leader, Research Institute of Molecular Pathology, Vienna
2017-2020 Fellow Research Institute of Molecular Pathology, Vienna
2014-2017 Postdoc Researcher, MPI for biophysical Chemistry, Göttingen - AG Stark
2010-2014 PhD Student, MPI for biophysical Chemistry, Göttingen – AG Stark

Other activities, awards and honours

2018-2021 Organizer – yearly Austrian CryoEM Symposium
Since 2017 Ad-hoc reviewer for journals and Founding agencies including: Nature, Nature methods, Nature communication, eLife, etc.
2010-2013 PhD Fellowship from Boehringer Ingelheim Fonds
2010-2012 Organizer – yearly Horizons in Molecular Biology Symposium
2005-2010 Scholarship from the German National Academic Foundation
2004 Bronze Medal at International Biology Olympiad
2005 Silver Medal at International Biology Olympiad
